

ANTIQUE FINISH

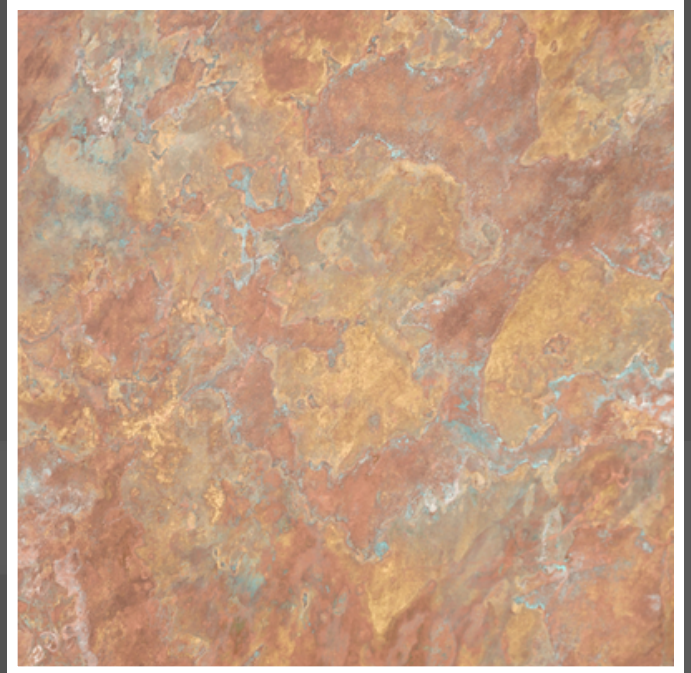

Our Antique Metal Finishes are made on stainless steel, brass, Corten steel and copper, giving each surface a rich, aged look. These finishes bring out warm tones, natural textures, and a timeless feel—blending the beauty of old-world charm with the strength of modern metals.

Applications:

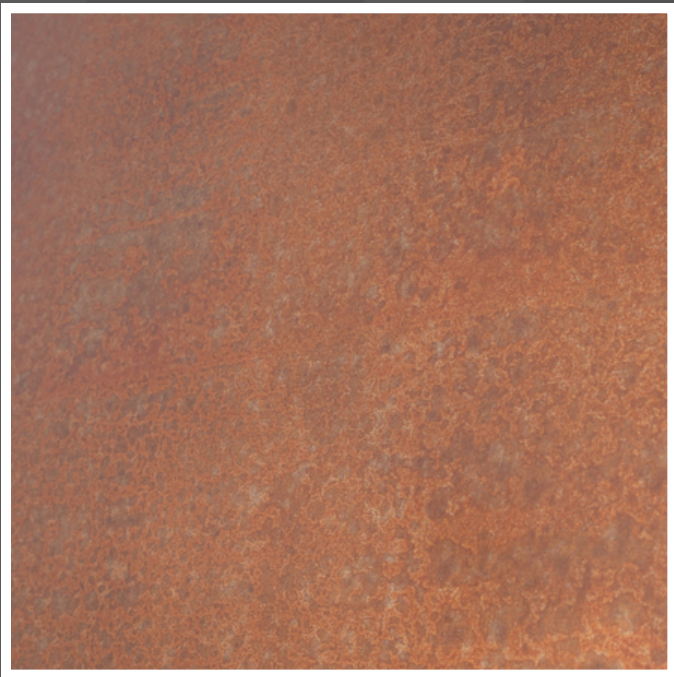

- Luxury interiors & heritage-style décor
- Feature walls, cladding & partitions
- Furniture accents & art installations
- Hospitality, retail & residential projects seeking a classic touch.
